Buying Property in Thailand

This absolute waterfront luxury pool villa offers four bedrooms and breathtaking views over Surin Beach, with direct walking access to the small headland between Surin Beach and Laem Singh Beach.

Designed by Ernesto Bedmar, this villa boasts direct water views of Surin Bay and captivating sunsets. The interior design reflects luxurious touches that surpass the standards of many 5-star hotels. Modern amenities include preloaded iTouch iPods in the bedrooms and Wi-Fi throughout the property. The villa comfortably accommodates up to 8 people with its four thoughtfully configured en-suite bedrooms.

The upstairs features a spacious master bedroom with a small lounge area and panoramic views. It opens to a balcony equipped with daybeds to fully enjoy the surrounding vistas. The master bedroom also includes a small study space. Another large bedroom on the main level offers the flexibility of two twin beds or a large double bed. It also features a lounge area that can be converted into a third bed if needed.

For added privacy, the other two bedrooms are located on the ground floor along with a mini gym equipped with Life Fitness equipment. The third bedroom can be configured as a large double or twin beds, while the fourth bedroom is perfect for children, offering a queen-sized double bed and two bunk beds.

The main living area seamlessly combines indoor and outdoor spaces, with floor-to-ceiling windows providing stunning views. The living/dining room offers a spacious air-conditioned lounge zone and an indoor dining setting. Thai doors lead to a granite day bar and a western kitchen, accompanied by a separate Asian chef's kitchen and maid's quarters.

When buying property in Thailand, it is advisable to work with a trusted realtor who can guide you through the process and ensure a smooth transaction.
