Description

Beachfront Phuket Property

Welcome to MontAzure, where a unique beachfront resort and residential community awaits you in Phuket's last prime west coast location, just steps away from the pristine sands of Kamala Beach spanning 99 meters. This exclusive development, brought to life by the visionary Martin Palleros of Tierra Design, renowned for creating the successful TwinPalms Phuket resort, seamlessly blends contemporary tropical architecture with site-sensitive landscaping, evoking the symmetry of a Mondrian painting.

MontAzure stands as Phuket's premier mixed-use mountain-to-oceanside development, offering a range of Condominium Residences that are professionally managed and operated as both long-term homes and short-term holiday accommodations.

This unique opportunity allows investors to embrace a healthy island lifestyle while reaping the rewards of their investment. Managed by TwinPalms, the development promises a combination of exclusive leisure activities, relaxation options, and luxury living, setting new standards for resort residential communities.

The residences are thoughtfully arranged in low-rise clusters, each with private elevators providing access to every floor. Designed around two expansive communal swimming pools, the buildings offer intimate views of exquisitely landscaped gardens and the inspiring tropical surroundings. Two primary materials, exposed concrete and timber, create a harmonious layering effect, embodying a relaxed resort ambiance that permeates the entire MontAzure development.

The landscape palette seamlessly blends dense coastal trees and plantings with intimate tropical gardens, reflecting a deep connection to the nearby forest. Mature palms have been carefully added to the beachside pool area, enhancing the natural beauty and tranquility of the surroundings.

TwinPalms, as the officially appointed agent for the investment properties in the development, ensures that a dedicated resort-based team is available 24/7 to provide direct reservations, hospitality services, maintenance, security, and more.

MontAzure presents a unique opportunity to immerse yourself in a beachfront haven where luxury and natural beauty converge. Embrace the MontAzure lifestyle and let TwinPalms manage every detail, allowing you to enjoy a seamless and enriching living experience.
