Description

Beachfront Rawai Beach One Bedroom For Sale

This developer has now completed phase III, the last phase of Rawai Phuket. The modern contemporary design includes high ceilings, efficient space planning, privacy, and fully functional interior design with plenty of storage space.

Beachfront Rawai and located right next to all the conveniences for living. Nai Harn Beach and Promthep Cape are only 5 minutes away.

Nested behind the beach, lined with tall pine trees, the bay faces to the sea, with islands in the backdrop. These islands (Coral Island, Raya Yai Island, and Kaew Yai Island) are all famous for their idyllic beaches, with crystal clear water fantastic for snorkeling and taking only 15-40 minutes by boat.

More importantly, these islands act as natural barriers to help protect Rawai from surging waters and storms, as proven, was safe from the Tsunami of 2004.

These beachfront Rawai condominiums use green areas and open space of more than 8,000 sqm consisting of large-scale landscaping, swimming pools with a natural and free-form style, waterfalls, creeks, and tropical gardens.

This gives a peaceful and natural personality. More than 50% of all units have convenient and available parking.

This is a re-sale leasehold unit.
