This garden view Nai Thon condominium is within a magnificent gated development, tucked away in a beautiful forested valley, lying directly adjacent to the magical, unspoiled Nai Thon Beach. Extremely well-appointed two-bedroom apartments to cover a total of 117 square meters and feature a 5.5 square meter balcony overlooking a tropical gardens and lagoon swimming pool. The open plan kitchen features a granite-topped island with a ceramic hob and a 4 seat breakfast bar. A large American fridge/freezer, built-in oven, built-in microwave, and ample storage are all included. There is space opposite the breakfast bar for a good-sized dining table which leads into the main living area. With numerous local restaurants serving delicious Thai food, and sand so clean that it squeaks when you walk on it, this amazing little beach is located only 10 minutes from Phuket International airport and 20 minutes from several world-class golf courses.

The goal was to create a condominium that was both comfortable and luxurious, and we have included many extras that will hopefully make your stay that extra bit special. This beachfront condo is designed as modern but comfortable. AC units are fitted in all the rooms, as well as ceiling fans. There is Wi-Fi in the entire complex with a separate router for the suites, however, the internet speed depends on the usage by all the guests.
