Description

Phuket Houses for Sale by Botanica

Phuket houses for sale in a new phase (8) from Botanica right next to the new proposed Golf course by Boat Pattana.

Must see three and four-bedroom Botanica private pool villas are designed by AAP Architecture with over twelve years experience.

Every private villa centers around a natural stone tiled swimming pool with an open floorplan that is capped by a vaulted, teak wood ceiling and framed by concertina glass doors.

Great light and elegance are featured in these homes. The grand tile flooring in the front room matches that on the terrace for a seamless transition to the outdoors.

Botanica Phase 8 will feature 14 homes.
