Description

Canvas Cherngtalay by Sansiri – Resort-Style Condominiums in Phuket

Discover a relaxed approach to island living at Canvas Cherngtalay by Sansiri, a residential development in one of Phuket's most convenient west-coast neighbourhoods. Close to Boat Avenue and Porto de Phuket, the project combines contemporary homes with landscaped gardens, extensive leisure facilities and easy access to the surrounding restaurants, shops and cafés.

Inspired by coral reefs and the colours of the sea, Canvas brings a distinctive coastal character to its architecture and communal spaces. A cabana-inspired lobby welcomes residents with soft sea-foam greens, warm neutral tones and a semi-outdoor terrace overlooking the tropical landscaping.

The featured two-bedroom, two-bathroom condominium provides a practical layout for couples, families or buyers seeking additional space for visiting guests. Living areas connect with a private balcony, while the wider project offers one-bedroom residences, larger two-bedroom layouts and Canvas Signature penthouses. Selected residences also offer direct pool access.

Two expansive swimming pools form the centrepiece of the development. A gently sloping beach-style pool creates an inviting setting for leisurely afternoons, while the freeform Coral Lagoon incorporates pool seating, a shaded Jacuzzi and landscaped relaxation areas. Gardens and sunbathing spaces provide further opportunities to enjoy Phuket's outdoor lifestyle.

Facilities extend beyond the pools. Residents can exercise in the fitness centre, practise their swing in the golf simulator or use the co-working space and meeting room. A rooftop lounge and barbecue terrace provide settings for social gatherings, while the children's playground and family garden add appeal for households with younger residents.

Located on Pasak–Khoktanod Road, Canvas offers convenient access to Cherngtalay's everyday amenities and routes towards Bang Tao Beach. Nearby shopping, dining, schools and Laguna Phuket's leisure destinations make the location suitable for both extended holidays and year-round living.
