The latest phase of this exclusive development presents a four-bedroom luxury pool villa designed by AAP Architecture, a renowned developer with over a decade of experience in crafting private homes in Phuket.

Each villa features a beautiful natural stone-tiled swimming pool at its heart, embraced by an open floorplan that boasts a teak wood ceiling and concertina glass doors. The transom windows above these doors infuse the main living area with natural light and add an extra touch of elegance.

Beyond the glass doors, the eave extends to create a magnificent terrace, complete with striking pillars, that provides a perfect spot for dining or lounging while soaking up the idyllic outdoor ambiance.

The grand tile flooring in the front room matches that on the terrace, creating a seamless transition between indoor and outdoor spaces.

Choose between freehold and leasehold options for these Phuket luxury pool villas, all located on Chanote-titled land.
