# Description

**Buy a Condominium and Live in Phuket Thailand**

Elevate your living experience with Title Heritage, a masterful creation by Rhom Bho PLC—one of Phuket's remarkable success stories. Renowned for their pioneering Title condos in Rawai, Rhom Bho PLC made waves, achieving such success that they went public in 2018. In 2023, a majority stake was acquired by the prestigious Bangkok developer, Assetwise PLC, providing Rhom Bho with unparalleled access to expertise and resources that set them apart from other Phuket developers.

Every new project by Rhom Bho commands attention, and Title Heritage is no exception. The spotlight here is on the prime location—a sprawling 15+ rai (25,350 sqm) plot, just 250 meters from Boat Avenue, the heartbeat of northern Phuket's shopping and dining scene. Boasting an array of Phuket's finest restaurants, bars, and shops, this locale is further enriched by the proximity of Central Group's Porto de Phuket lifestyle mall and the entrance to Laguna Phuket. This is not just a residence; it's where everyone desires to be.

Title Heritage unfolds as a resort-style haven featuring seven low-rise buildings (seven stories each), gracefully enveloped by freeform pools and lush greenery. The development spans over 6,500 sqm of first-class facilities and more than 5,800 sqm of serene green spaces—a testament to the Title series design philosophy. Rhom Bho consistently aims to infuse their projects with a true resort ambiance, offering extensive pools, hotel-level amenities, and tropical greenery.
