Description

Buy a Tropical Island Home in Paradise

Experience tropical island living at its finest with Punyisa Villas. Nestled in a private and secluded paradise, each villa offers stunning living options with an emphasis on sustainability.

The design objective at Punyisa Villas is to create a sanctuary for you to call home. To achieve this, the team at Punyisa has created an integrated architectural and landscape concept that embraces sustainable living.

Considered a synthesis of the arts, Punyisa Villas not only designs the buildings and interior spaces but also the furniture, built-in furnishings, artwork, and accessories. Each element is thoughtfully designed in scale with the surroundings to provide complete privacy for the owner's experience.

The design team at Punyisa uses a process that creates spaces and environments that enhance their client's lifestyles. Combining imagination with collaboration and craftsmanship, they develop elegantly designed solutions that can be customized to suit each owner's needs.

This four-bedroom layout with an additional study can be converted into another bedroom if desired. Each villa comes with AVC Smart home installation and solar panel installation included in the price.

Punyisa Villas is located in two beautiful locations, Bangjo, and Layan Beach. Don't miss out on the opportunity to own your piece of paradise.

Come experience Punyisa Villas and see for yourself why it's the perfect place to call home.
