Description

Buy Land in Thailand

This Sea View property in Krabi, Thailand offers an excellent opportunity for both residence and investment. Situated in Klong Muang, it enjoys a favorable location not far from renowned hotels such as Sofitel and Sheraton. The land boasts a gentle slope that allows for easy construction and captivating sea views.

Spanning across 134 Wah, the property sits on top of a hill, providing impressive panoramic views. The surrounding area features residential homes, as well as a selection of shops and restaurants in the nearby town locations. Krabi offers sea view land prices that are relatively more affordable compared to neighboring Phuket, making it an attractive destination for investment.

The Sea View property is located in Klong Muang, a region that offers an exceptional living environment and presents intelligent investment prospects. Whether you are looking to retire or settle down in Southern Thailand, this location offers a desirable setting.

The property is ready for construction, as it provides access roads, electricity, and water connections to the site. The land title is Nor Sor Saam(3), which provides a recognized ownership status.

With a recent price reduction, the total purchase price for this Sea View property is 3,000,000 baht. This presents a compelling opportunity for those seeking a sea view property in Krabi, Thailand.
