## Chalong Japanese Style Loft

This Japanese Loft Home was designed with the Japanese concept; less is more. Space planning with functional design details, a sense of nature, inside out – here you can tangibly feel the Japanese influences.

Chalong is an area where much of nature remains well-conserved.

Having the luxury of a beach within a few-minute walk, fresh air is in abundance along with the lush green shelter of trees.

Surrounding the residence is a range of places from restaurants and organic vegetable farms to five-star hotels.

These villas are sold with no kitchen or built-ins. They do have full bathrooms with fixtures.

Buyers have the choice of leasehold or freehold title.

This listing does not include a pool but one can be added.
