Description

Luxury Pool Villa for Sale

Introducing a new level of luxury living in Phuket! Designed by AAP Architecture, a trusted name in the industry for over twelve years, this four-bedroom pool villa is a stunning masterpiece that exudes elegance and comfort.

Step into the villa and be captivated by the natural stone-tiled swimming pool, which sits at the heart of the property. The open floorplan is perfect for entertaining, and the vaulted teak wood ceiling adds to the feeling of grandeur. The concertina glass doors allow for natural light to flood the space, and the transom windows above add an extra touch of sophistication.

But it's not just the interior that will take your breath away. The eaves have been overextended to create an additional lounge or dining area on the terrace, which is supported by striking pillars. This gives you the perfect setting to enjoy the idyllic outdoor ambiance, with grand tile flooring that seamlessly transitions to the outdoors.

Whether you prefer to own your villa on a freehold or leasehold basis, all our luxury pool villas for sale in Phuket are on Chanote titled land, ensuring your investment is secure.
