Description

Environmental-Friendly Development on the Paradise Island of Phuket Thailand

Discover a new level of quality living at The Mandala Villa, an extraordinary environmentally-friendly development nestled in the heart of the enchanting Phuket. Elevate your lifestyle with our meticulously designed project, perfectly embodying the essence of "Your new way of living." Immerse yourself in the awe-inspiring scenic greenery, surrounded by essential amenities like supermarkets, shopping centers, international schools, and a hospital – everything you need right at your doorstep.

Just 10 minutes from the pristine Bang Tao Beach and 20 minutes from the Phuket International Airport, Mandala Villa beckons as the ultimate haven for natural living. Embrace the allure of our 30 uniquely designed modern tropical pool villas, sprawled across 12 Rai (19,200 sq.m.) of meticulously planned land, ensuring a harmonious blend of convenience and sophistication.

Quality construction and opulent finishes are our hallmarks, promising a living experience beyond compare. Mandala Villa stands as the epitome of Phuket's quality residences, offering not just a home but an investment with promising returns.

Welcome to our exclusive gated villa complex, where the power to choose your dream home is in your hands. Select from our diverse range of villas, including the Detached House, Type A, Type B, and Type C. Each villa is a testament to luxury, boasting spacious interiors and a private swimming pool set amidst the lush surroundings.

Our commitment to the environment sets us apart. The villas are crafted with specially adapted materials suited for the Thai climate, ensuring longevity without compromising our environmental policy. Bid farewell to traditional wood construction as we utilize eco-friendly alternatives like clay bricks, providing a 5-year construction guarantee.

For sustainability, an underground water source powers the villas, with an electric and solar-powered water pump. Solar panels adorn the villa roofs, reducing electricity costs by 60% and contributing to a greener, more eco-conscious lifestyle.

Buyers have three floor plans to choose from: Type A with a starting price of 13,997,000, Type B with a starting price of 27,143,000, and Type C with a starting price of 18,202,000 THB.

Seize this unparalleled opportunity to embrace quality living at The Mandala Villa. Choose not just a home but a statement of refined elegance and responsible living. Your new way of living awaits – act now and make Mandala Villa your sanctuary in paradise!
