This pool villa condominium, situated in the Heights Resort in Kata, offers breathtaking and unobstructed views of Kata Beach and the surrounding mountains. Unlike other 3-bedroom units in the development, this unit boasts a clear and uninterrupted view, free from the rooftops of lower units.

Fully furnished and ready to move in or rent out, this two-story unit features a private swimming pool and is perfectly positioned on the hillside to harmonize with the natural environment and showcase stunning views of the Andaman Sea. The floor-to-ceiling glass doors and windows allow abundant natural light and fresh air into each room, while providing panoramic vistas of the turquoise sea.

The interior design of this Thailand home combines elements of East and West, creating a modern-Asian fusion. The spacious living areas seamlessly blend indoor and outdoor spaces through large open terraces. The property features concealed air conditioning, luxurious bathroom fixtures, and a well-appointed Western kitchen. Quality materials and natural finishes have been used throughout, including built-in cupboards and wardrobes.

The Heights Resort was developed by renowned real estate developer Raimon Land, and it has been recognized with prestigious awards for its excellence. The property is currently managed by globally renowned real estate consultants, CBRE, ensuring exceptional service and maintenance.

Residents can enjoy a range of recreational facilities at the clubhouse, including a fitness center, infinity pool, lap pool, kids' pool, sun deck, and jacuzzi. The charming Kata Beach is a pleasant 15-minute walk away, offering a lively atmosphere year-round with activities such as sunbathing, snorkeling, and surfing. The town of Kata provides a variety of shops, from souvenir stalls to high-end fashion stores, as well as a diverse dining scene that caters to all budgets. Phuket International Airport is approximately 44km away.
