Description

FantaSea Condo Rawai – Modern Condos with Rooftop Pool in Phuket

FantaSea Condo Rawai brings contemporary tropical living to the Saiyuan area of southern Phuket. Developed by FantaSea Plus, the project combines modern residences with shared leisure facilities and convenient access to Rawai's restaurants, cafés and everyday services. Its location offers a practical base for enjoying the island throughout the year or spending longer holidays in Phuket.

The residences feature kitchen and dining areas, space for laundry and interiors designed around everyday comfort. Tropical colours and greenery give the development a distinctive character, while the choice of layouts allows buyers to consider a compact personal retreat or a residence with additional room for family and guests.

Planned facilities include a rooftop infinity pool, sky garden and rooftop bar, creating places to relax and enjoy the surrounding outlook. A gym, coworking space, café and children's club add convenience for residents with different routines, whether working remotely, staying active or spending time with family.

Rawai Beach is approximately 3.7 kilometres away, with Nai Harn Beach around 4.2 kilometres from the development. Chalong Pier provides access to boating and island excursions, while nearby supermarkets and local dining options support daily living. The location places residents within reach of southern Phuket's beaches and attractions without relying on a beachfront address.

Scheduled for completion in the fourth quarter of 2027, FantaSea Condo Rawai offers a construction-linked payment schedule. Leasehold and foreign freehold quota options are documented, together with separate built-in and furniture packages that allow buyers to review the specification and purchase structure before committing.
