Looking for a modern and functional property in Phuket? Look no further than this first-floor pool access unit offered directly from the seller with foreign freehold status.

Step into this beautifully designed contemporary space and enjoy the high ceilings, efficient planning, and ample storage. You'll have plenty of privacy and room to breathe, all while being just steps away from all the conveniences of daily living.

When you're ready to explore, Nai Harn Beach and Promthep Cape are both just a quick 5-minute drive away. And if you're looking for a little island adventure, Coral Island, Raya Yai Island, and Kaew Yai Island are all just a short boat ride away, offering idyllic beaches and crystal-clear water perfect for snorkeling.

Located behind the beach and nestled amongst tall pine trees, this bay faces the sea with natural islands serving as a barrier against surging waters and storms, making it a safe and serene place to call home.

The condominium complex itself is a nature-lovers paradise, featuring large-scale landscaping, free-form style swimming pools, waterfalls, creeks, and tropical gardens that exude a sense of peace and tranquility.

You'll also have plenty of convenient parking available for all your guests. If you're looking for an investment opportunity, this resale unit comes with a long-term tenant contract through November 2023, earning 30,000 THB per month, with the option to pass on both revenue and tenant to the new owner.

This unit includes full furniture including a flatscreen TV and a washing machine.
