Developed by The Attitude Club, this completed low-rise community provides a comfortable southern Phuket base for holidays, extended stays or permanent residence.

The featured RAW105 condominium offers approximately 83 sqm of accommodation, advertised with two bedrooms and two bathrooms. Its generous layout provides space for couples, families or visiting guests, with shared living areas complemented by private bedroom accommodation. A balcony extends the residence outdoors, creating a welcoming place to enjoy morning coffee or unwind at the end of the day.

The residence’s design brings together practical home comforts and the atmosphere of a tropical retreat. Air conditioning and ceiling fans help maintain a comfortable interior, while the Western-style kitchen supports everything from a simple breakfast to meals prepared at home. Advertised appliances include a cooktop, microwave, oven and washing machine, making longer stays particularly convenient.

The condominium is offered furnished, with built-in furniture also included among the advertised features. Buyers can review the furniture and appliance inventory during an inspection, with the agreed contents recorded in the purchase agreement.

Shared facilities are a defining feature of Saturdays Residence. Two long swimming pools provide space for exercise and relaxation, accompanied by poolside areas and saunas. A fitness room supports an active routine, while the library offers a quieter setting for reading or catching up on work. The café, lounge and meeting facilities add further convenience within the community.

Reception, estate management, parking, elevators and 24-hour security support everyday living and occasional visits alike. A rental programme is advertised for the development, giving owners the opportunity to discuss management arrangements separately according to their personal-use plans and the operator’s applicable terms.

The Saiyuan location places residents within reach of Rawai’s restaurants, cafés, shops and everyday services. Nai Harn and Ya Nui beaches offer nearby coastal outings, while Rawai’s waterfront provides seafood dining and access to boat excursions.
