## Description

### Phuket Villas for Sale

Step into the elegance and spaciousness of this exquisite sea view villa, located within the exclusive Baan Thai Surin Hill estate in Phuket.

Designed with a sophisticated neutral color scheme, the villa exudes timeless charm and is accentuated by vibrant splashes of red and orange in the furnishings and artwork, creating a harmonious and visually appealing atmosphere.

From tiled and wooden flooring to high cathedral ceilings and checked fabrics, each room is adorned with unique touches that add character and contrast. The villa features four ensuite bedrooms, each with balconies offering panoramic sea and mountain views, providing a serene and captivating living experience.

Baan Thai Surin Hill is a well-established private estate with a solid reputation for providing exceptional service to guests from around the world for over a decade. Developed by Surin Hill Company, the same group behind renowned projects like Baan Thai Surin Garden, Baan Thai Surin Pool Villas, The Quarter Condominium, and Baan Thai Layan, this estate represents a commitment to excellence and luxury living.

Perched on the hillside, the estate comprises 18 villas nestled in a tranquil environment with no-thru streets, ensuring privacy and seclusion. The construction of this villa utilized the highest quality materials, resulting in its excellent condition and durability over the past decade, a testament to its enduring quality.

The reason for the sale at a low price is the seller's advancing age, which restricts their ability to travel and manage a property with multiple levels and numerous steps. This presents a unique opportunity for prospective buyers to acquire a remarkable villa at an advantageous price.

Indulge in the luxurious lifestyle offered by this magnificent sea view villa in Baan Thai Surin Hill.
