Description

East Coast Ocean Villa Apartment for Sale

Step into the serenity of the untouched Phuket's east coast. Admire the expansive sea views and stunning sunrises over Phang Nga bay, the yachts at anchor and the popular Koh Yao Yai island. This 2-bed, 2-bath seafront apartment is located in East Coast Ocean Villas – a modern well managed development on the northeast coast.

The open plan living, and dining area is furnished in modern Scandinavian style and the kitchen has been fully renovated, perfect for hosting. Out of the two bedrooms, one is currently used as an office, but can be changed back to a bedroom. The apartment comes fully furnished, with the exception of a few family heirlooms and paintings that the owners will take along.

The master bathroom has been fully modernised with a freestanding bathtub, slate floors and two separate bathroom units, while the second guest bathroom allows for the convenience of a walk-in shower.

The large east facing balcony is superb for enjoying the sunrise over the sea with a cup of coffee or having a sundowner, with the benefit of shade throughout the day. Large enough for a 6-seater dining table and a separate sitting area, the balcony can be used to create an even more spacious indoor-outdoor living atmosphere.

The unit includes a storage room that has been fitted with large shelves on two walls, providing ample storage.

The unit is surrounded by greenery, creating a lush ambience and a real feeling of living in the tropics, with banana plants flowering outside the windows.

The common 25m pool is convenient for both sunbathing as well as daily laps. Each unit comes with assigned parking and due to the set up of the parking area, this unit also has access to covered motorbike parking.

Near the development, you can enjoy the scenery at the restaurant and bar at the Ao Po Grand Marina that's only a short walk away - a perfect location for boat owners. A number of local cafes and restaurants are also within walking distance or a short drive away. You can enjoy craft cocktails with 360 degree views at the luxurious Como Point hotel, followed by dinner at the popular Taste Yamu, with expansive views of western sunsets – only a 15min drive away.

East Coast Ocean Villas development is also only a 20min drive from Phuket International Airport and the adjacent Nai Yang beach, one of Phuket's most shallow and quiet beaches.
