Description

Real Estate in Thailand

The West coast of Phuket is some of the most sought-after real estate in Thailand. Most of the beaches here on the Westside are fine white sand with crystal clear waters.

For families wanting a beach holiday, they tend to head to the Westside. The Laguna area is one of the most attractive and enchanting areas in all of Phuket. Laguna sits on Bang Tao Beach and is bordered by Surin Beach to the South and Layan Beach to the North.

Many people feel that this is the best-kept area on the island and a mere 25 minutes drive from Patong - in fact, this area offers a whole different experience from the "nightlife" areas of Phuket. A much more quiet and more relaxing experience.

This real estate for sale is a Chanote title deed, the safest title you can own in Thailand.

The land plot consists of 5 Rai and 2 Ngan in total. This parcel is serviced by a public government road. Electric and water are run to the front of the property.

Priced at 8.5M baht per Rai.
