This Laguna Phuket five-bedroom detached home for sale is within a secure, private resort development just a short distance to the Banyan Tree Golf Course and this Villa includes a Golf Membership.

The location of this Thailand house for sale is also convenient for all the amenities on offer such as spas, fitness facilities, shops, cafes, bars, a wide variety of restaurants selling Thai and International cuisine as well as to the white-sand beach of Bang Tao and Layan.

The open-plan living/dining area is situated on the ground floor and is bright and spacious with lovely views looking out along the length of a tranquil lake. The modern, fully-fitted kitchen has an integrated oven, electric hob with extractor hood above, and fridge/freezer. The living area is bright thanks to floor-to-ceiling windows looking out across the lagoon and the pool. To either side of the living room, there is direct access to the outdoor patio area and private swimming pool. The dining section is next to the turned wooden staircase and is large enough to house a long table that comfortably seats eight.

The master bedroom has a large walk-in dressing room providing ample storage, and the main body of the bedroom is spacious. It has a cathedral-style ceiling for natural ventilation, with ceiling fans to aid natural ventilation, and the bed is positioned to fully appreciate the views along the length of the lagoon. The large en-suite bathroom has double sliding doors with a washbasin and vanity unit to either side.

The master bedroom also enjoys the benefit of a covered private balcony, large enough for sun-loungers and a table and chairs to give privacy and an oasis of calm whilst looking over the lake and lush landscaped gardens. The further bedrooms each have fitted wardrobes and highly-polished wood floors, and they share the main bathroom, which has a walk-in shower and modern sanitary ware.

Externally, to the front of this Laguna Phuket villa, there is covered parking for two cars via the electric gates, plus a convenient laundry room and drying area. To the rear, besides the private swimming pool and adjoining patios, there is a shaded open dining section as well as a raised sala, which can also be used for alfresco dining or shaded relaxation.
