Description

Modern 3-Bedroom Pool Villas Near Bang Tao & Layan Beach

DESCRIPTION

ParQ Villa Phuket is an exclusive new collection of just 22 luxury private pool villas in Thalang, offering contemporary tropical living within easy reach of Bang Tao, Layan and the Laguna Phuket lifestyle area.

Developed by Kanda Property, the project combines generous indoor-outdoor living with an unusually green setting. Each two-storey residence features three spacious master suites with private en-suite bathrooms, expansive living areas, private terraces and a swimming pool with Jacuzzi.

Two villa designs are available, with land plots ranging from approximately 324–653 sqm and impressive usable areas of 368–457 sqm. The development incorporates approximately 8,000 sqm of green space, creating a quieter, more private residential environment.

The location provides convenient access to Boat Avenue, Porto de Phuket, Laguna Golf, international schools, Thanyapura and Phuket International Airport, while Layan and Bang Tao beaches are only a short drive away.

Prices start from THB 24.9 million, with freehold and leasehold ownership options available.

For buyers seeking a substantial modern villa close to Phuket's established west-coast lifestyle destinations without being directly inside the busier Bang Tao area, ParQ Villa deserves serious consideration.
