Description

Phuket Villa Auction at Trisara

Villa Sawan, located within the Trisara Residence on the west coast of Phuket, is an exquisite 8-bedroom oasis that is now being offered at a Phuket villa auction with no reserve.

This highly sought-after gem has never been listed for sale before, and its original owners spared no expense in creating a luxurious "resort within a resort." Tens of millions were invested to develop this ultra-posh villa, which is situated within Phuket's most exclusive and private five-star beach resort community. Notably, the Trisara Residence is home to the island's only Michelin-starred restaurant.

Villa Sawan offers breathtaking western-facing views, lush gardens, and exclusive access to a captivating cove with a restricted-access beach located at the foot of the property. This resort-style compound provides a private escape where you can enjoy the awe-inspiring Andaman Sea by taking a dip from the exclusive cove or swimming laps in the 25-meter swimming pool.

The villa is designed for entertaining, with versatile indoor and outdoor event spaces to host friends and family. Whether you seek relaxation, exploration, or culinary delights, Villa Sawan promises an exotic seaside escape that will enrich your life with fulfillment, excitement, and tranquility.

It's worth noting that Villa Sawan, this Trisara luxury villa, was sold at a Phuket Villa Auction in December 2019 for \$9.1 million USD, further highlighting its exclusivity and desirability.

Please keep in mind that the availability and details of the current auction or any subsequent auctions may differ.
