#### Description

The Title Balcony is a modern, low-rise condominium designed for relaxed coastal living just moments from the beach. Clean architectural lines, generous balconies, and resort-style facilities create a calm, contemporary atmosphere that works equally well as a holiday home or a smart investment. Units are thoughtfully laid out to maximize light, airflow, and usable space—ideal for both personal use and rental appeal.

#### Location & Lifestyle

Located near **Nai Yang Beach**, this area is known for its laid-back charm, protected national park surroundings, and easy access to Phuket International Airport. Cafés, local restaurants, beach clubs, and daily conveniences are all within walking or short driving distance. Nai Yang remains one of Phuket's most livable and supply-constrained beach areas—an important factor for long-term value.

#### Unit Options

A selection of studio, one-bedroom, and two-bedroom units are available, many with spacious balconies overlooking landscaped gardens or pool areas. Facilities typically include swimming pools, fitness center, co-working spaces, and on-site management.

#### Ownership & Payment Terms

Foreign freehold and leasehold options are available.

#### Payment Plan (indicative):

- Reservation fee
- Contract signing payment

- Staged construction payments
- Final balance on completion

### **Lifestyle Meets Investment**
