White Lotus Patong – Sea-View Villa with a Private Rooftop Pool

A private rooftop pool overlooking the Andaman Sea gives White Lotus Patong its defining appeal. Set on the hillside above Phuket's best-known west-coast destination, this contemporary villa combines an elevated coastal outlook with convenient access to beaches, restaurants and shopping. The setting suits buyers who enjoy Patong's energy while preferring a quieter place to come home to.

This 2-bedroom, 3-bathroom residence offers approximately 167 sqm of built-up space on a 176 sqm plot. Arranged over three levels, the design brings together open living areas, comfortable bedrooms and outdoor spaces for enjoying Phuket's tropical climate. Its proportions make it an appealing option for couples, small families or buyers seeking a manageable holiday home.

The open-plan living and dining area creates a welcoming space for relaxed meals and time together. A fully equipped Western kitchen supports everyday living and entertaining, while generous glazing brings natural light into the interiors. Furnishings and built-in features are included, helping buyers establish their Phuket base with greater convenience.

Above, the rooftop terrace and private plunge pool create a separate space for outdoor relaxation. Morning swims, an afternoon with a book and evening drinks overlooking the sea can become part of the daily routine. The elevated outlook adds another dimension to the home, with the rooftop serving as a natural gathering point.

The location connects residents with Patong's dining, nightlife and shopping at Jungceylon, alongside access to Tri Trang, Paradise and Freedom beaches. Professional villa care and rental management are offered for owners who spend part of the year overseas, subject to the agreed management terms and applicable rental requirements. PAT157 is marketed on a leasehold basis, with the selected villa's ownership documents available for independent legal review.
