Description

Veranda Villas & Suites – Sea-View Pool Suite in Cape Panwa, Phuket

Veranda Villas & Suites Phuket offers private coastal living on the hillside above Panwa–Ao Yon, combining sea views with access to an adjacent five-star resort. The development's intimate collection of pool villas and suites creates an appealing setting for buyers seeking a Phuket retreat with the convenience of resort facilities and services.

The featured EST165 residence provides approximately 160 sqm of accommodation with three bedrooms and two bathrooms. Its contemporary layout offers space for family holidays, extended stays or a comfortable second home, with living areas designed to enjoy the surrounding coastal scenery.

The architecture draws inspiration from Phuket Old Town's cultural heritage, introducing distinctive local influences into a modern residential setting. Carefully considered interiors, natural touches and generous outdoor spaces create a relaxed atmosphere, while the connection between indoor and outdoor living makes the most of Cape Panwa's tropical surroundings.

A private pool and outdoor terrace provide space to unwind, enjoy the sea breeze or spend time with family and friends. The suite format combines the privacy of an individual residence with a more manageable footprint than the development's larger villas, making it particularly attractive to buyers seeking a convenient island base.

Built-in furniture, air conditioning, ceiling fans, a cooktop and microwave are advertised among EST165's features. Buyers can review the selected suite's furnishing inventory and appliance specifications before purchase, with loose furniture, decorative items and any additional packages documented in the agreement.

Owners can access facilities and services at the adjacent resort, including swimming pools, a beach pool deck, fitness facilities, a kids club and beach access. Applicable fees and access conditions govern these services. The combination of private residential space and nearby hospitality facilities allows owners to shape each stay around relaxation, family time or exploring Phuket.

Cape Panwa and Ao Yon offer a quieter coastal setting with sheltered bays, local dining and scenic surroundings. From this southeastern Phuket location, residents can explore the island's coastline and cultural attractions while returning to their own sea-view retreat.
