## Description

### New Sea View Villa in Phuket Thailand

#### Vista Del Mar Phuket – Sea-View Luxury Above Nai Thon

Perched on the lush hillside above Nai Thon, Vista Del Mar is a private collection of modern sea-view pool villas designed for buyers who want space, privacy, and one of Phuket's most beautiful sunset outlooks. The development is set in a peaceful west coast location surrounded by tropical greenery, yet still just minutes from Nai Thon Beach and a short drive from Phuket International Airport.

Each villa is designed to embrace the view, with clean architectural lines, generous indoor-outdoor living areas, private swimming pools, and wide terraces made for entertaining or simply watching the Andaman Sea turn gold at the end of the day. Depending on the residence, buyers will find flexible layouts with multiple bedroom options, open-plan living spaces, and upscale finishes that suit both full-time living and luxury holiday use.

Vista Del Mar is especially appealing for international buyers seeking a secure Phuket base with strong lifestyle value. Select listings in the estate note ownership structures that may be available as freehold or leasehold, subject to buyer eligibility and the specific villa offered, making professional legal guidance an important part of the purchase process.

For buyers who value ocean views, privacy, and a quieter side of Phuket, Vista Del Mar is a smart choice with lasting appeal. A private viewing is highly recommended.
