Description

Cape Sienna – Oceanfront Pool Villa in Kamala, Phuket

Positioned above the Andaman Sea along Kamala's Millionaire's Mile, this Cape Sienna villa combines direct ocean frontage with contemporary tropical design. Its cliffside setting places the sea at the centre of the living experience, with views from the bedrooms, living room and kitchen.

Arranged over two levels, the three-bedroom villa provides private accommodation alongside comfortable spaces for gathering and entertaining. The living area connects with an outdoor deck, where open sea views create a natural backdrop for dining, relaxing and watching the sunset.

The private swimming pool is a defining feature of the property. A generous surrounding deck offers space for sun loungers and outdoor meals, allowing residents to spend much of the day outside while remaining close to the comforts of the interior.

The principal bedroom occupies the lower level and includes a walk-in closet and an oversized bathroom with a separate Jacuzzi bath and shower. Two further bedrooms are situated upstairs, one with a Jacuzzi bathroom and the other with shower facilities. A separate guest toilet serves the shared living spaces.

The villa is advertised as furnished, with a full Western kitchen, indoor and outdoor dining furniture, and individually controlled air conditioning. The original property specification also lists a wine fridge, minibars and outdoor sunbeds. Buyers should confirm the final inventory and condition of these items for any future sale.

For buyers drawn to Phuket's western coastline, Cape Sienna offers an established setting where private pool living and an expansive ocean outlook come together.
