Type	land

Description

Oceanfront Land for Sale in Phuket

This oceanfront land for sale is 6 Rai in total with access off the main road.

Millionaire's Mile in Phuket has become the place for luxury resorts and villas on the island's west coast and hosts some of the finest residences Phuket has to offer.

The road starts on the very south end of Kamala beach and winds along the coast to the headland and the last development on the road, Jomchang, that overlooks Patong bay.

The road was home to the very first \$1m + villas many years ago and so the name Millionaires Mile was born.

Oceanfront land in Phuket is scarce. This land for sale is priced at 18.4 million per Rai.

This plot has fantastic sea views and is ideally suited for a luxury resort or high-end villa development.

Don't sleep on this one.
