Experience the ultimate tropical luxury living in our brand new four-bedroom, six-bathroom pool villas. Located in the heart of Phuket, our new phase boasts an extraordinary location, offering unparalleled convenience to everything the island has to offer.

Designed by AAP Architecture, a renowned developer with over twelve years of experience in Phuket, each villa exudes elegance and sophistication. The centerpiece of every villa is a natural stone-tiled swimming pool, surrounded by a free-flowing open floorplan with a vaulted teak wood ceiling and concertina glass doors.

Enjoy the abundance of natural light that floods the main living area through transom windows above the glass doors, adding a touch of elegance and charm to the space. Our villas also feature an extended eave, providing an outdoor lounge or dining area on the terrace supported by striking pillars, perfect for entertaining and relaxing.

The grand tile flooring in the front room seamlessly transitions to the terrace, creating a cohesive indoor-outdoor living space that brings the tropical ambiance inside.
