Description

Own a Modern Luxury Pool Villa in Paradise

For over twelve years, AAP Architecture has been developing private homes in the tranquil and picturesque landscapes of Phuket, Thailand. Their latest offering, the Botanica "Ocean Valley" property, is a stunning sanctuary surrounded by serene mountains and breathtaking views. Own a modern luxury pool villa in paradise.

At the heart of the villa is a beautifully designed natural stone-tiled swimming pool, providing a luxurious centerpiece for the property. The interior features an open floor plan with a vaulted teak wood ceiling and concertina glass framing, allowing for a free-flowing and elegant living experience. The transom windows above the glass doors bring in an abundance of natural light and add a touch of sophistication to the home.

To fully immerse in the idyllic outdoor environment, the eaves have been over-extended to create an additional lounge or dining area on the terrace, supported by striking pillars. The grand tile flooring in the front room perfectly matches that on the terrace, creating a seamless transition from indoor to outdoor living.

Botanica "Ocean Valley" has been awarded the prestigious Property Thailand award, a testament to the exceptional design and quality of the property. Payment plans are available, and a furniture package worth 4M THB can be included.

A showroom is available for those interested in experiencing the luxury of Botanica "Ocean Valley" firsthand. The newest phase has just been launched, with early bird pricing available for those looking to own their own slice of paradise.
