Description

Own A Modern Tropical Villa in Phuket Thailand

Discover a sanctuary in Phuket that balances untouched natural beauty with modern luxury. Villa Cerulean is a boutique villa project of just **20 exclusive 3-bedroom pool villas**, nestled quietly in an **8-rai private estate**, a haven of tranquility in the hills, just minutes from the pristine beaches of Naiyang.

Key Highlights

- **Modern Tropical Design**

Crafted with open-floor plans that blur the lines between indoor and outdoor living. Natural light floods the interiors. Gentle breezes flow through living areas. Materials like rich woods and natural stone ground the design in authentic tropical elegance.

- **Architectural Excellence**

Designed by Khun Supasit Charoensin, a distinguished architect with over two decades of experience shaping Phuket's most desirable luxury developments. His touch ensures style, functionality, and timeless appeal.

- **Four Unique Layouts**

The villas are offered in four distinct design types (Type A, B, C & D), allowing buyers to choose a style that fits their taste — whether for entertaining, family living, or as a private retreat.

- **Privacy & Nature**

Surrounded by lush greenery and shaded by pine trees, the estate is an oasis of calm. Yet it's not remote — the beach, amenities, and Phuket's energy are all just a short drive away.

- **Location Advantage**

The project is located in Saku, Thalang District, in Phuket 83110. Verified address. Close to Naiyang Beach. Easy access to Phuket International Airport. Ideal for those wanting nature, convenience, and investment potential.

Who It's Perfect For

- Investors looking for something boutique — in a small, high-quality gated villa development.
- Expatriates or retirees wanting the best of tropical living without compromise.
- Families desiring a space that offers both indoor comfort and outdoor delights.
