Description

Exceptional 6-Bedroom Beachfront Estate at The Cape Residences

PROPERTY DESCRIPTION

Villa Anaya is an extraordinary six-bedroom beachfront estate within The Cape Residences, one of Phuket's most prestigious gated communities on the exclusive Cape Yamu peninsula.

Conceived by internationally acclaimed designer Jean-Michel Gathy with design elements by Philippe Starck, this remarkable residence occupies a rare double plot of approximately 4.2 rai (6,990 sqm), with an impressive 3,280 sqm of built-up space and approximately 100 metres of direct sandy beachfront.

The interiors combine dramatic proportions with refined Italian finishes and extensive use of natural travertine. Six spacious ensuite bedrooms are complemented by a private cinema, games and library room, yoga and meditation studio, massage and spa facilities, fully equipped gym and private office. The office can also be converted to provide two additional bedrooms if required.

Outside, a spectacular 20 x 8 metre swimming pool overlooks the sea, accompanied by a pool bar, BBQ and Teppanyaki area. Separate staff accommodation, a nanny house and extensive service areas allow the estate to operate comfortably as a substantial private residence.

Villa Anaya combines genuine beachfront living, architectural pedigree and exceptional scale in one of Phuket's most distinctive waterfront settings.
