Description

Phang Nga Land for Sale

Discover the secrets of Phang Nga Bay and take advantage of this rapidly growing area's potential.

This land plot for sale offers over 16 Rai (26,752m) of prime real estate priced at an unbeatable 2M baht per Rai. Bordering the main road, the land is mostly flat with a gentle slope ideal for easy construction.

Phang Nga Bay is a well-known filming location for movies such as "Heaven and Earth," "The Beach," and the famous James Bond film "Man with the Golden Gun." The area is quickly becoming a popular destination for resort owners, including Stoney Monday, The MIRAGE Group, and Baan Palm Bay.

The land comes with three-phase electricity and has a natural spring for water. The title is Nor Sor Saam (3) Gor, and the seller is willing to arrange a Chanote upgrade (at the buyer's expense). Currently, the land is covered with oil palms, but it offers limitless possibilities for those with vision and creativity.

Immerse yourself in the natural beauty and tranquility of this lush, green paradise. Enquire today and don't miss out on this once-in-a-lifetime opportunity.
