At the heart of this exquisite residence lies a stunning natural stone tiled swimming pool, serving as the focal point around which the entire villa revolves. Bathed in natural light, the main area of the home is adorned with concertina glass doors and transom windows, infusing the space with a sense of lightness and grace.

To enhance your enjoyment of the idyllic outdoor ambiance, the eave has been thoughtfully extended to create an additional lounge or dining area on the terrace, supported by striking pillars. The grand tile flooring in the front room seamlessly transitions to the terrace, blurring the boundaries between indoor and outdoor spaces.
