Harmony is a premium boutique condominium that offers 5-star services and breathtaking views of Phang Nga Bay and the surrounding islands from its rooftop swimming pool and deck. With five beaches accessible within a 15-minute drive or scooter ride, you'll never run out of places to explore.

Every unit in Harmony is equipped with smart technology, allowing you to easily control the lighting, air conditioning, and smart appliances. This commitment to modern technology is in line with the project's philosophy of harmony between new technologies, construction, modern design, classic facades, comfort, and minimalism.

Choose from our studio condominiums, measuring 37 sqm and priced from 3M baht, or our two-bedroom condominiums, measuring 68 sqm and priced from 6.5M baht.

At Harmony, you can enjoy a range of facilities such as a sea view rooftop swimming pool with sun deck, gym, sauna, garden with seating area, and reception area. A payment schedule during the construction period makes this an affordable investment.
