Description

Quiet Hillside Land Plot for Sale

Tranquil Hillside Land Near Bang Pae Waterfall – 5,841 sqm for Sale | 12.5M THB

Looking for peace, privacy, and potential? This rare opportunity offers **four beautiful land plots totaling 5,841 sqm** in the serene **Bang Pae area of Phuket** — just minutes from the stunning **Bang Pae Waterfall** and the lush **Khao Phra Thaeo National Park**.

Nestled on a gentle hillside with **concrete road access** and surrounded by nature, these plots are perfect for:

- A **private luxury residence**
- A **wellness retreat**
- A **boutique eco-resort**
- Or your very own tropical development vision

Zoned for private residential use and ideal for small-scale tourism-related projects, the land offers incredible flexibility. Three plots are held under a single Thai company (owned by me), and the fourth is owned by our neighboring landholder — who is also ready to sell, either together or separately. Buyers have the option of **company transfer or land re-registration**, with closing costs shared.

Total Price: 12.5 Million THB for all 4 plots

Opportunities like this, in one of Phuket's last unspoiled corners, are becoming increasingly rare.
