Description

Rare Beachfront Three Bedroom Villa for Sale in Bang Tao, Phuket

PROPERTY DESCRIPTION

A rare opportunity to own a 3-bedroom beachfront villa directly on one of Phuket's most desirable stretches of coastline at Bang Tao Beach.

Offering 292 sqm of total built-up area, including approximately 215 sqm of air-conditioned living space, this single-storey villa combines distinctive contemporary architecture with an exceptional beachfront setting. The residence features three spacious bedrooms, each with an ensuite bathroom, including an ocean-facing master bedroom.

The villa forms part of an exclusive gated beachfront development comprising just four private villas and 18 apartments. Residents enjoy direct access to Bang Tao Beach, a large beachfront swimming pool, landscaped common areas, 24-hour security, private covered parking and professional estate management.

The location is particularly compelling. Restaurants, beach clubs and local amenities are within easy walking distance, while Boat Avenue, Porto de Phuket, Laguna Phuket and the wider Cherng Talay lifestyle district are only a short drive away.

The property is offered under a protected leasehold structure via an offshore company, providing an established ownership arrangement for international buyers.

For buyers seeking genuine beachfront property rather than simply proximity to the sea, opportunities of this type in Bang Tao are increasingly difficult to find.
