Description

Freehold Sea View Condo

This is an exclusive freehold sea view condo for sale set in a prime location in Phuket, Thailand,

built to make you feel comfortable and relaxed so that every single moment is going to be a memorable one.

This project features a modern contemporary design accompanied by traditional Thai hospitality. This freehold sea view condo is in a project that stretches across over 1875 sq.m of land, holding a seven-story building with only 41 stylish units with room sizes ranging from 48.5 sq.m to 105 sq.m with options of one and two-bedroom sea view condos to ensure ample privacy for all our residents.

Located in a premium location adjacent to Laem Ka and Rawai beaches while offering a stunning sea view of the Andaman Sea with Koh Bon and Coral Island in the background. Most of the residents will enjoy a magnificent sea view given the strategic location of the project just 400m from Rawai beach and directly facing the South East Coast of Phuket.

This is the perfect choice for those who seek tranquility but still want to be close to the colorful scene of Rawai with its well renowned Sea Gypsy Market and local seafood restaurants located underneath the famous beach's casuarina trees. Our clients are our number one priority, and we'll go the extra mile to make sure they get the best from their investment with some quality life. In this regard, we share the ownership and experience of the award-winning local boutique resort which is a success story for its well-renowned customer service and satisfaction.

The condominium, fully walled, overlooks a stunning 4 x 34m overflow swimming pool which runs all along the front side of the building and is set in a lush tropical garden. Each freehold sea view condo then boosts a "leaving balcony" with sea and/or pool view which given its size will make you feel instantly in a holiday mood.

This is the perfect outdoor space for living & entertaining both your family and friends. Finally, the 8th floor features our exclusive Sky Garden with a 5 x 13.6m infinity swimming pool and bar with an amazing view of the Andaman Sea.

Foreign Freehold upgrade is an additional 350,000 THB.
