Description

Remodeled Golf Course Apartment

Welcome to Blue Canyon Complex - the epitome of luxurious living in the North of Phuket island. This gated golf community is one of Thailand's original, surrounded by the lush natural beauty of rolling hills, tree lines, and self-sustaining water reservoirs. The land has a rich history, once home

to Hokkein Chinese settlers who planted rubber trees and mined the fertile soil, giving it a unique charm and character.

Renowned Japanese golf course designer, Yokikazu Kato, created two magnificent courses, the Canyon and the Lakes, maintaining the idyllic landscape and preserving the 1780 rai of land. Our design intent is to offer a sustainable and nourishing lifestyle for a small yet discerning group of owners.

Our exclusive low-rise development, Blue Canyon Heights, offers spacious condominiums that cater to everyone's needs, not just golf enthusiasts.

With only 40 refurbished duplex apartments, each with a contemporary design, two or three bedrooms, and ample indoor and outdoor spaces, our residences are the epitome of luxury living.

Experience the thrill of living in a community that has hosted professional events on the Asian and European Tour, with illustrious professionals like Tiger Woods, Ernie Els, Sir Nick Faldo, and Fred Couples having competed on our courses.

Discover the perfect balance of exclusivity and security in this gated community, where you can lead a sustainable life that nourishes your mind, body, and soul.

Contact us now to find your dream home at Blue Canyon Complex, and start living the life you deserve.
