Description

Sai Taan Estate Private Pool Villa for Sale

The Sai Taan estate offers an attractive option for those seeking tranquil living in a convenient location near Laguna Phuket. The estate provides easy access to the area's best bars, restaurants, hotels, beaches, and golf courses, all within a few minutes' walk.

The living accommodation in the villa is designed with an open plan layout, allowing for a seamless flow between the indoor and outdoor spaces. Most of the rooms open directly onto the deck and pool area, creating a sense of integration with the outdoor environment. The villa features a spacious gourmet kitchen that can be separated from or connected to the dining and living areas, offering flexibility in its use.

The living room is adorned with a traditional Thai-style vaulted ceiling, which not only adds a touch of elegance but also helps to cool the space. In the evenings, the backlit ceiling creates a spectacular ambiance. Throughout the villa, you'll find elegant wooden floors and vaulted ceilings, showcasing a Modern Asian design that harmonizes with the tropical surroundings.

The villa offers ample space, with all bedrooms and living areas overlooking the swimming pool and gardens. This provides a pleasant view and enhances the overall sense of tranquility and privacy.

One of the highlights of this Sai Taan Estate private pool villa is its large swimming pool with a Jacuzzi. Adjacent to the pool, there is a beautiful Sala, a traditional Thai pavilion, which is ideal for outdoor dining and entertaining. This creates a charming setting for enjoying meals or hosting gatherings in a relaxed and tropical atmosphere.

To obtain the most accurate and up-to-date information regarding the availability, pricing, and other details of this specific Sai Taan Estate private pool villa for sale, it is advisable to contact the developer or a reputable real estate agent who specializes in the property. They will be able to provide you with comprehensive information and assist you throughout the purchasing process.
