### Description

This Sea View property is not far from the Sofitel and Sheraton Hotel in Krabi. The land has a rather gentle slope toward sea view and would be quite easy to construct.

The land is 134 Wah in total and sits on top of a hill with impressive views. There are homes in this area and inland. You will also find some inland shops and restaurants in the town locations. Sea view land prices in Krabi are much less expensive than in neighboring Phuket Thailand. This Sea View

property is located in Klong Muang Krabi. Not only is it an exceptional place to reside, but it's also an intelligent place to make an investment. It's likewise an extraordinary place in case you are planning to retire or settle down in the Southern region of Thailand.

This sea view property is ready to build on with access road, electricity and water all to the site. The land title is Nor Sor Saam(3).

The total purchase price is 3,000,000 baht and reflects a recent price reduction.
