Description

Land for Sale in Rawai Phuket Thailand

This land boasts a Chanote title, providing secure ownership rights. It is located in the yellow zone, allowing for a maximum building height of 23 meters. The upper floors of any potential construction would enjoy a scenic sea view.

The land is available for sale as a whole plot, spanning approximately 3,086 square meters (nearly 2 Rai). Alternatively, the seller is open to dividing the land into smaller plots to accommodate individual buyers.

Access to the land is excellent, with two concrete roads bordering the property, ensuring convenient entry and exit.

The option to purchase custom-cut plots ranging from 200 square meters up to the full 3,086 square meters is available. These plots are situated in a unique green low-rise area, offering a peaceful and natural environment. Prices for these plots start from 2.5 million THB.

The property already has electric, water well, and utility connections in place, adding to its desirability and convenience.

To truly appreciate the potential of this land, a personal viewing is highly recommended. Contact the provided phone number, +66 93 606 0906, to arrange a viewing and explore the possibilities further.
