## Own a Villa for Sale at Waterfall Bay Phuket

Welcome to Waterfall Bay, an exquisite waterfront estate located on the prestigious West coast of Phuket, Thailand.

This remarkable Waterfall Bay Villa offers a unique opportunity to own a truly exceptional residence. Unlike properties built for speculative purposes, this home was meticulously crafted as a cherished family home, with no expense spared to create one of the finest properties in Phuket.

As you approach the villa, the striking granite rock facade leaves a lasting impression, while the solid construction on a rock base ensures durability and strength.

Step inside, and you'll discover a luxury home that surpasses all expectations. The villa showcases a sophisticated design, utilizing high-end materials throughout. Its elegance is combined with practicality, with a myriad of features that will leave you in awe (details available upon request).

The home boasts high ceilings, an impressive entrance, and ample space for entertaining, all while providing a sense of privacy and tranquility. Indulge in the steam bath, refresh under the outdoor shower, stay fit in the gym, or unwind in the 16m swimming pool with a jacuzzi. The home also features a home theatre, a free-standing spiral staircase, a brick pizza oven, marble counters, and top-of-the-line finishes.

For added convenience, separate staff quarters are available to ensure seamless service.

Waterfall Bay is an exclusive gated luxury estate comprising only 5 villas, guaranteeing the utmost privacy and security.

Remarkably, this home has been reduced in price from \$5.95 million to an incredible \$3.8 million. Such an opportunity to acquire a quality luxury home at this price is truly remarkable. Comparable homes in the estate are priced as high as \$18 million USD.
