Description

Own a Villa for Sale at Waterfall Bay Phuket

Waterfall Bay is an exclusive waterfront estate on the West coast of Phuket Thailand.

This Waterfall Bay Villa represents an opportunity to acquire a house that was built not for speculation purposes but as a family home from owners who have poured unlimited time and resources in ensuring their property would have been one of the best ever built in Phuket.

The outside of the home is a granite rock facade sure to make the right first impression. Built on a rock base this home is solid with good bones.

This villa has everything you could want in a luxury home. Sophisticated with high-end materials used throughout. Elegant yet practical with too many features to list (upon request).

High ceilings, glamorous entrance, room to entertain and plenty of privacy make this home special.

Steam bath, outdoor shower, gym, 16m swimming with jacuzzi, home theatre, free-standing spiral staircase, brick pizza oven, marble counters, pocket sliding doors, and everything top of the line.

Separate staff quarters.

Waterfall Bay is an exclusive gated luxury estate with only 5 villas for ultimate privacy and safety.

This home has been reduced from \$5.95M to \$3.8M. What an amazing price on a quality luxury home. Other homes in this estate are priced as much as \$18M USD.
