Description

Stunning Botanica Villa for Sale

Botanica luxury villas are arguably one of the best builders in Phuket.

This is an exquisite three-bedroom luxury pool villa designed by the renowned AAP Architecture. Located in the highly coveted Soi Patak 8 area, this stunning villa features a free-flowing open floor plan, with a natural stone-tiled swimming pool serving as its centerpiece.

The vaulted ceiling and concertina glass doors that surround the pool create a bright and airy atmosphere, accentuated by the transom windows that add an extra touch of elegance to the main living area.

Enjoy the idyllic outdoor ambiance with an extended eave that creates an additional lounge or dining area on the terrace, great for entertaining. The grand tile flooring inside the villa matches that on the terrace, providing a seamless transition to the outdoors.

This owner incorporated an elegant office and maid's quarters into the original design that blends seamlessly and makes this villa unique.

You can own this luxurious villa as a freehold or leasehold and the land title is Chanote (the highest in Thailand).

The owner who purchased the villa (new in 2024) does not have the time to enjoy it as initially planned. This is an excellent opportunity for the right buyer to own a new turn-key villa located in a very popular area of Phuket.

Don't miss out!. Call us today to request an appointment to inspect this one-of-one gem.
