Description

Houses for sale in Thailand

Experience the ultimate lifestyle choice on the west coast of Phuket, with miles of unspoiled beaches, crystal clear waters, and stunning sunsets. Phuket has become a recognized international destination for travel, leisure, retirement, and expats seeking an offshore base.

Trichada Breeze, the fourth phase by trusted developer Doug Ferguson, offers 3 and 4 bedroom private pool villas with an updated and expanded floorplan, providing more space and bigger tropical gardens for your own oasis of tranquility.

Located within a 5-minute drive from the Laguna entrance, this Thailand property for sale is conveniently located near shopping, groceries, banks, and beaches.

Doug Ferguson is an experienced Phuket developer, having completed 150 villas since 2003. He delivers high-quality private pool villas in a tropical setting that are both stylish and private, ensuring your villa is completed on time.

Trichada Breeze villas feature long overhangs off the living and dining room, with fans providing a cool breeze on warm days. And with management fees covering pool service and gardening, investors can easily maintain their property, with the option to choose from two different rental companies or manage the villas themselves.

Furniture packages are also available to suit your taste and style.
