Located just a five-minute shuttle ride away from Karon Beach, this luxury resort provides a serene and indulgent lifestyle, complete with swimming pools, spas, and world-class restaurants.

The low-density seaside condominiums present an enticing prospect for owning a slice of paradise. With stunning landscapes to admire, opportunities for jungle adventures, and one of Phuket's longest beaches at your doorstep, this resort promises not only exotic locales but also exceptional design.

Each branded condominium within the development has been meticulously crafted by Tan Hock Beng, an award-winning and internationally acclaimed architect. The coastal mountains surrounding Phuket boast vast areas of untouched tropical forest, and this development is situated on 40 rai or 64,000 square meters of this pristine environment. More than half of this land has been dedicated to the creation of an Adventure Eco Park, which aims to promote and preserve the natural beauty and ecology of the area.

Purchasing a property in this development offers more than just a luxury vacation home; it provides an opportunity for a solid investment. With professional hotel management and an investment guarantee, your property is carefully managed to ensure optimal returns. Additionally, owners are granted six weeks of personal usage per year, allowing you, your friends, and your family to enjoy the beauty of Phuket's natural paradise while still maintaining a significant return on investment.

The resort offers multiple swimming pools, a high-tech gym for staying fit, and a selection of restaurants for fine dining. Whether you seek adventure or relaxation, the resort is equipped with a range of high-quality facilities to cater to your needs. Nature and Adventure Eco Park provides an opportunity for residents and guests to hike and immerse themselves in the awe-inspiring natural surroundings, creating memories to last a lifetime.
