Description

Thailand Real Estate

This one-bedroom unit is the last available in a popular boutique development located within walking distance to Phuket's famous Karon Beach. The development consists of a 6-story boutique residential condominium building with only 30 residences, offering a range of options to suit different preferences.

Situated just 600 meters from Karon Beach, this Thailand real estate provides an opportunity to embrace the traditional coastal lifestyle in Phuket. The condominiums offer a high level of amenities, akin to living in a four-star resort year-round. Residents can enjoy a rooftop swimming pool, a well-equipped fitness center, and an elegant and comfortable lobby area.

The architectural style of the development is modern Asian, blending the lines and colors of nature to create a harmonious living environment. The design concept draws inspiration from the idea of residing in a natural green oasis, promoting a warm and peaceful atmosphere.

Each unit's layout is carefully designed to optimize functional usage, ensuring that the available space is used efficiently and effectively. The stylish units are delivered fully finished, with meticulous attention to detail that adds a sense of luxury to the Thailand real estate living experience.

For further information regarding pricing, availability, and specific details about this one-bedroom unit and the overall development, it is advisable to contact the relevant parties involved in the sale of the property.
