This stunning estate is managed by none other than CBRE, one of the best management companies in Phuket. Rest assured that your investment will be well taken care of, just like a fine wine that only gets better with age!

The seller has gone the extra mile by paying for a brand new German kitchen (not shown in the photos) to be installed in April 2022 by a professional kitchen manufacturer. And, to top it off, the unit has been freshly painted and comes with professionally installed sail awnings, providing shade for your private balcony throughout the day.

Experience luxury living in this exquisite two-bedroom, three-bathroom re-sale unit, situated at the top of the property for maximum views. Covered parking and a fabulous lap pool round off this perfect package.
